The CARES ACT, provided beneficial changes to the tax code. If you use the standard deduction and give up to $300 to charity in a year, you can now add up to $300 to the standard deduction. If you itemize, for 2020 you can now deduct 100% of your charitable contributions (that's 60% more than previously). If you have a business, the 10% limit has increased to 25%.
